Re: Assignment of Special Waste Consignor Identification Number

In accordance with the Special Waste Regulation to the Waste Management Act, you have been assigned Special Waste Consignor Identification Number **BCG07784**.

Please be advised:

1. You as a generator of special waste(s), are responsible for the manifesting, arranging the transportation of the special waste(s) via a licensed transporter, and for predetermining an approved special waste treatment/disposal facility for the waste.

2. Sections 3.1, 3.2, 4 and 5 of the Waste Management Act, the provisions of the Special Waste Regulation, as well as provisions of the Transportation of Dangerous Goods Act and Regulations apply in full or in part to your operation. This includes but is not limited to:

Use of a valid, licensed transporter.

Full and accurate completion of manifests, including your BCG number under the heading "Provincial Number".

Appropriate packaging and containment of the special waste(s).

Confirmation by the Consignee, by way of copy 6 of the manifest, of acceptance of the special waste(s) at an approved treatment/disposal facility.
